

The Essence of Care

## Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

People with limited incomes may qualify for extra help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it.

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare. The amount of extra help you get will determine your total monthly plan premium as a member of our Plan (HMO).

This table shows you what your monthly plan premium will be if you get extra help.

Your level of extra help	Monthly Premium for Comfort Plan (HMO)*	Monthly Premium for Comfort Plus Plan (HMO)*	Monthly Premium for Independence Plan (HMO)*	Monthly Premium for At Home Plan (HMO)*
100%	\$ 0.00	\$ 25.00	\$ 25.00	\$ 0.00
75%	\$ 8.70	\$ 33.60	\$ 33.00	\$ 5.30
50%	\$ 17.40	\$ 42.30	\$ 41.10	\$ 10.60
25%	\$ 26.20	\$ 50.90	\$ 49.10	\$ 16.00

\*This does not include any Medicare Part B premium you may have to pay.

Fidelis SecureCare (HMO) premium includes coverage for both medical services and prescription drug coverage.
