Section 1 – Introduction

This directory provides a list of Fidelis SecureCare of Michigan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our plan providers listed in this directory to be your **Primary Care Provider (PCP)**. The term “**PCP**” will be used throughout this directory. Generally, you must get your health care coverage from your “**PCP**”.

The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

Non-Network Providers” are providers that are not part of Fidelis SecureCare of Michigan. If you use “Non-Plan Providers”, you may have to pay more. Care or services you get from “Non-Plan Providers” will not be covered, except for ambulance services, emergency care, including post-stabilization care, urgently needed care, renal dialysis (kidney), and any services which were ordered covered through an appeals process.

We can cover certain health care services that you get from non-plan providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) that you get when you are outside the plan’s service area, care that has been approved in advance by your Primary Care Provider or Fidelis SecureCare of Michigan, and any services which were ordered covered through an appeals process. If a non-plan provider asks you to pay for covered services you get in these situations, please be sure to obtain a receipt for proof of payment along with the bill describing the services provided. You will need to submit these items with a letter to Fidelis SecureCare of Michigan that includes the following information:

1. Your name, telephone number, address, and Membership ID which you will find on your Membership ID card.
2. State that you are a member of Fidelis SecureCare of Michigan.
3. Name, address and telephone number of the provider you received these services from (if not on the bill).
4. Date and reason for each service that was provided to you by the provider (if not on the bill).

Please submit the above items to:
Fidelis SecureCare of Michigan, Inc.
P.O. Box 3597
Scranton, PA 18505
Attention: Claims

You may also contact Customer Service at (877) 372-8085 or TTY (888) 844-5530 for the hearing impaired.

You should never pay any non-plan provider more than what the provider is allowed by Medicare. The provider has a right to his/her fees, but does not have a right to get them from you. Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you receive a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and let you know what, if anything, you must pay.

If you need care when you are traveling or away from the plan's service area, your health coverage is limited. The only services we cover when you are outside of our service area are care for medical emergencies, including post-stabilization care, urgently needed care, renal dialysis (kidney), and care that Fidelis SecureCare of Michigan, or a plan provider has approved in advance. For more information about medical emergencies and urgently needed care, see your Evidence of Coverage. If you have a question on whether or not a service is covered when you travel, please call Customer Service at (877) 372-8085 or TTY (888) 844-5530 for the hearing impaired.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor Fidelis SecureCare of Michigan will be responsible for the costs.
