Fidelis SecureCare of North Carolina, Inc.
9300 Harris Corners Parkway, Suite 100
Charlotte, NC 28269

Customer Service: (877) 372-8085
TTY/TTD Users: (888) 844-5530

This directory provides a list of Fidelis SecureCare of North Carolina, Inc. plan providers and pharmacies.

Fidelis SecureCare is a Health Plan with a Medicare Contract.

This directory is for the following counties in the state of North Carolina: Alamance, Cabarrus, Davidson, Davie, Durham, Forsyth, Guilford, Iredell, Mecklenburg, Rowan, Stanly, Union, and Wake.

This directory is current as of May 1, 2010. Some plan providers and/or pharmacies may have been added or removed from the list after this directory was printed.

All network pharmacies may not be listed in this directory. Please contact Fidelis SecureCare's pharmacy Customer Service at (877) 372-7948 for additional information. The inclusion of a pharmacy does not guarantee that the pharmacy is still in network, is open, or is at the same location as listed in the directory.

To get the most up-to-date information about Fidelis SecureCare of North Carolina plan providers and pharmacies in your area, you can visit www.fidelissc.com or call Fidelis SecureCare Customer Service at 1-877-372-8085. TTY users should call 1-888-844-5530. We are open Monday through Friday from 8:00 AM to 6:00 PM. During Medicare's Annual and Open Enrollment Election Periods, Customer Service is open seven days a week, from 8:00 AM to 8:00 PM.

Section 1 – Introduction

This directory provides a list of Fidelis SecureCare of North Carolina plan providers. It also includes basic information about how to get your covered services with Fidelis SecureCare of North Carolina. To get more detailed information about your health care coverage, please see your **“Evidence of Coverage”**.

You will have to choose one of our plan providers listed in this directory to be your **Primary Care Provider (PCP)**. The term **“PCP”** will be used throughout this directory. Generally, you must get your health care coverage from your **“PCP”**.

The **“Plan Providers”** listed in this directory have agreed to provide you with your health care coverage. In most cases, your health care coverage is covered under Fidelis SecureCare of North Carolina. You may go to any of our plan providers listed in this directory; however some services may require a referral. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers.

What is the service area for Fidelis SecureCare of North Carolina?

The counties in our service area are: Alamance, Cabarrus, Davidson, Davie, Durham, Forsyth, Guilford, Iredell, Mecklenburg, Rowan, Stanly, Union, and Wake.

How do you find Fidelis SecureCare of North Carolina providers in your area?

Our Providers are listed by County for your convenience. To find a provider in your area first you should determine what type of provider you are looking for; PCP, Specialist, Hospital, etc. Once you have determined the type of provider you need to look for, you may refer to **Section 9** in the **“Table of Contents”** of this directory for the appropriate page to begin your search.

You can also visit www.fidelissc.com or call Customer Service at (877) 372-8085, Monday through Friday, from 8:00 am to 6:00 pm Eastern Standard Time. TTY users should call (888) 844-5530.

What if you use “Non-Plan Providers” to get your covered services?

“Non-Plan Providers” are providers that are not part of Fidelis SecureCare of North Carolina. If you use “Non-Plan Providers”, you may have to pay more. Care or services you get from “Non-Plan Providers” will not be covered, except for ambulance services, emergency care, including post-stabilization care, urgently needed care, renal dialysis (kidney), and any services which were ordered covered through an appeals process.

What should you do if you have bills from “Non-Plan Providers” that you think should be paid by Fidelis SecureCare of North Carolina?

We cover certain health care services that you get from non-plan providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) that you get when you are outside the plan’s service area, care that has been approved in advance by your Primary Care Provider or Fidelis SecureCare of North Carolina, and any services which were ordered covered through an appeals process.

If a non-plan provider asks you to pay for covered services you get in these situations, please be sure to obtain a receipt for proof of payment along with the bill describing the services provided. You will need to submit these items with a letter to Fidelis SecureCare of North Carolina that includes the following information:

1. Your name, telephone number, address, and Membership ID which you will find on your Membership ID card.
2. State that you are a member of Fidelis SecureCare of North Carolina.
3. Name, address and telephone number of the provider you received these services from (if not on the bill).
4. Date and reason for each service that was provided to you by the provider (if not on the bill).

Please submit the above items to:

Fidelis SecureCare of North Carolina, Inc.
P.O. Box 3597
Scranton, PA 18505
Attention: Claims

You may also contact Customer Service at (877) 372-8085 or TTY (888) 844-5530 for the hearing impaired.

You should never pay any non-plan provider more than what the provider is allowed by Medicare. The provider has a right to his/her fees, but does not have a right to get them from you. Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you receive a bill for the services, you can send the bill to us for payment. We will pay your non-plan provider for our share of the bill and let you know what, if anything, you must pay.

Getting care when traveling or away from the plan's service area

If you need care when you are outside of our service area, your health coverage is limited. The only services we cover when you are outside of our service area are care for medical emergencies, including post-stabilization care, urgently needed care, renal dialysis (kidney), and care that Fidelis SecureCare of North Carolina, or a plan provider has approved in advance. For more information about medical emergencies and urgently needed care, see **Section 6**. If you have a question on whether or not a service is covered when you travel, please call Customer Service at (877) 372-8085 or TTY (888) 844-5530 for the hearing impaired.

Can the list of plan providers change?

Yes, Fidelis SecureCare of North Carolina may add or remove plan providers from our provider directory at any time. To get the most current information about Fidelis SecureCare of North Carolina plan providers in your area, you can visit www.fidelissc.com or call Customer Service at (877) 372-8085, Monday through Friday, from 8:00 am to 6:00 pm Eastern Standard Time. TTY users should call (888) 844-5530.

Your rights to access and participate in medical care.

You have the right to get timely access to plan providers and to all services covered by the plan. Timely access means that you can get appointments and services within a reasonable period of time. You have the right to get complete information from your providers when you go for medical care. You have the right to participate fully in decisions about your health care. You have the right to refuse care.

Section 2 – Choosing your “Primary Care Provider” (PCP)

What is a “PCP”?

When you become a member of Fidelis SecureCare of North Carolina, you must choose a plan provider to be your PCP. Your PCP is a health care provider who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care provider.

How do you choose a “PCP”?

Our Providers are listed by County for your convenience. To choose a “PCP” in your area refer to **Section 9** in the “**Table of Contents**” of this directory, then go to your county, and then to “**Primary Care Provider**” for the appropriate page to begin your search.

Once you are in the “**Primary Care Provider**” section of your “**County**”, you will see a list of “**PCP’s**” sorted alphabetically and you may begin looking for the provider who you would like to receive your primary care from. If you would like to use a particular Fidelis SecureCare of North Carolina specialist or hospital, you should check with your “**PCP**” to make sure they can make referrals to that specialist or hospital.

You can also call our Customer Service Department at (877) 372-8085, Monday through Friday, from 8:00 am to 6:00 pm Eastern Standard Time. TTY users should call (888) 844-5530.

Getting care from your “PCP”

Generally, you see your PCP first for most of your routine health care needs. There are only a few types of covered services you can get on your own, without seeing your PCP first. Please see **Section 4** for the type of covered services you can get on your own that is without seeing your PCP first for a referral.

Your PCP can also help you arrange or coordinate your covered services. These services include x-rays, laboratory tests, therapies, specialists, hospital admissions, and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. If you need certain types of covered services or supplies, your PCP must give approval ahead of time. Your PCP must give you a referral to see a specialist. In some cases, your PCP will also need to get prior authorization (prior approval). Since your PCP will provide and coordinate your health care, you should have all of your past medical records sent to your new PCP’s office. The law requires us to protect your privacy of medical records and personal health information. For more information about privacy, see your “**Evidence of Coverage**”.

How to change your “PCP”

You may change your PCP for any reason, at any time. To change your PCP, call Customer Service at (877) 372-8085, Monday through Friday, from 8:00 am to 6:00 pm Eastern Standard Time. TTY users should call (888) 844-5530.

When you call, be sure to tell Customer Service if you are seeing specialists or getting other covered services that require your PCP’s approval (such as home health services and durable medical equipment). Customer Service will help make sure that you can continue with the specialty care and other services you have been getting when you change to a new PCP. They will also check that the PCP you wish to switch to is accepting new patients. Customer Service will change your membership record to show the name of your new PCP, and will advise you when the change to your new PCP will take effect.

What if your doctor or provider leaves Fidelis SecureCare of North Carolina?

Sometimes a doctor, specialist, clinic, or other plan provider you are using might leave the plan. If this happens, you will have to change to another provider who is part of Fidelis SecureCare of North Carolina. If your PCP leaves Fidelis SecureCare of North Carolina, we will let you know, and help you change to another PCP so that you can continue getting your covered services.

Section 3 – Getting care from specialists

When your PCP thinks you need more specialized treatment, he or she will give you a **“referral”** (approval ahead of time) to see a plan specialist. A **“specialist”** is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are oncologists, who treat cancer; cardiologist, who treat heart conditions; and orthopedists, who treat certain bone, joint, or muscle conditions. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from the Fidelis SecureCare of North Carolina Utilization Management Teams. This is called a **“prior authorization”**.

It is very important to get a referral from your PCP before you see a plan specialist. However, you don’t need to get a referral for certain services, see [Section 4](#). **If you do not have a referral before you receive services from a specialist, you may have to pay for these services yourself.** If the specialist wants you to come back for follow-up visits, be sure to let your Primary Care Provider (PCP) know so he or she can be sure you have the appropriate referral to continue seeing your specialist and have the services you receive covered.

Each plan PCP has certain plan specialists they use for referrals. This means that **the Fidelis SecureCare of North Carolina specialists you can use may depend on which person you choose to be your PCP.** If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists.

If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

Section 4 – Self Referrals

There are certain times when you may be able to get certain services without a referral from your PCP.

You will get most of your routine or basic care from your PCP. Your PCP can also coordinate your covered services. If you get services from any doctor, hospital, or other health care provider without getting a referral ahead of time from your PCP, you may have to pay for these services yourself. This also includes if you get these services from a provider in your plan.

In some cases, you can get the services listed below without a referral or approval ahead of time from your PCP.

“Self-Referred” means you get services on your own.

If you get **“self-referred”** services, you still have to pay a co-payment. However, if you get a self-referred service from a plan provider, you will only have to pay the in-network co-payment. If you go to a non-plan provider for these services, you will have to pay more.

The following services may be **“Self-Referred”**:

- Routine women’s health care, which includes breast exams, mammograms (x-rays of the breast), pap tests, and pelvic exams. This care is covered without a referral from your PCP **only** if you get it from a plan provider.
- Flu Shots and Pneumonia Vaccinations (only if you get them from a plan provider).
- Hepatitis B Shots (only if you get them from a plan provider).
- Emergency services, whether you get these services from plan providers or non-plan providers, see **Section 6**. The emergency services including hospital care after you are stable (known as post-stabilization) are also covered.
- Urgently needed care that you get from non-plan providers when you are temporarily outside of the plan’s service area. For more information about urgently needed care, see **Section 6**. For more information about the plan’s service area, see **Section 1**.
- Renal dialysis (kidney) services that you get when you are temporarily outside the plan’s service area. If possible, please let us know before you leave the service area where you are going to be so we can help arrange for you to have maintenance dialysis while outside the service area.

Section 5- What if you need medical care when your PCP's office is closed?

What to do if you have a medical emergency or urgent need for care and your PCP's office is closed

In an emergency, you can get care immediately. You do not have to contact your PCP or get prior authorization in an emergency. You can dial **911** for immediate help by phone, or go directly to the nearest emergency room, hospital, or urgent care center. For more information about emergency or urgently needed care, see [Section 6](#).

What to do if it is not a medical emergency and your PCP's office is closed

If you need to talk with your PCP or get medical care when the PCP's office is closed, and it is *not* a medical emergency, you can call your PCP 24 hours a day, 7 days a week at the office number provided in this directory or have the Nursing Facility call your PCP's office. TTY users may utilize the North Carolina State Relay at (888) 844-5530. There is always a health professional on-call to help you.

For more information about what to do if you have an urgent need for care, see [Section 6](#).

Section 6 – Getting care if you have a “Medical Emergency” or an “Urgent Need” for care

What is a “Medical Emergency”?

A situation is a “**Medical Emergency**” if you reasonably believe that your health is in serious danger. It means that every second counts. Some examples of medical emergencies are severe pain, a bad injury, a serious illness, or a medical condition that is getting worse.

What should you do if you have a “Medical Emergency”?

If you have a medical emergency:

- Get medical help as quickly as possible. Call **911** for help or go directly to the nearest emergency room. **In any emergency, you never need to contact any plan provider, even your own PCP, for either permission (“authorization”) or a referral.**
- However, as soon as possible, you or someone else should contact your Primary Care Provider or Fidelis SecureCare of North Carolina Customer Service department at (877) 372-8085 or TTY at (888) 844-5530. Your PCP needs to know about your emergency because your PCP will provide follow-up care. Please try to contact your PCP or Fidelis SecureCare about your emergency within 48 hours.

Your PCP will help manage and follow-up on your emergency care.

It is important to know that every emergency has two stages. When the doctors, or hospitals, providing emergency care consider your condition stable, the first stage of the “**Medical Emergency**” ends. However, even after your condition is stabilized, you are still considered in

an emergency situation and **Fidelis SecureCare of North Carolina** must still pay for post-stabilization treatment provided by the hospital (whether or not this hospital is a plan provider).

This second stage of the emergency, after your condition is stabilized is called **“Post-Stabilization”**.

Generally, the hospital, or doctors, providing emergency care will try to talk to your PCP and/or Fidelis SecureCare of North Carolina. This helps the plan to arrange for plan providers to take over your case as soon as your condition and circumstances get better. Once your PCP takes over your care or agrees with the attending hospital on an appropriate course of action (or once you are discharged if you are fully recovered), you are no longer in an emergency or post-stabilization situation.

Although you are past the emergency and post-stabilization, you may still need follow-up care. However, your plan is responsible for your follow-up care. Your plan will only pay for follow-up care after your emergency and post-stabilization if you follow the plan rules. You will need to use plan providers to get authorization, and/or referrals.

What is covered if you have a “Medical Emergency”?

- You can get covered emergency medical care whenever you need it, anywhere in the United States.
- **Ambulance Services** are covered in situations where other means of transportation in the United States would endanger your health.

What if it really wasn’t a “Medical Emergency”?

To have your plan pay for your emergency care, you do not have to be certain that it is an emergency. For example, **you** might go in for emergency care – thinking that your health is in serious danger – but the **doctor** may disagree and not consider this a medical emergency. If this happens, you are still covered for the diagnostic treatment and care you received to determine what was wrong, provided that **you** thought your health was in serious danger, as explained in the section **“What is a Medical Emergency?”** above.

However, please note that:

- If you get any extra care after the doctor says it was not a medical emergency, your plan will only pay for the extra covered care if you got this from a **“Plan Provider”**.
- If you get any extra care from a **“Non-Plan Provider”** after the doctor says it was not a medical emergency, your plan must still pay for it as **“Urgently Needed Care”** even though you got this care outside your service area. Please read below how **“Urgently Needed Care”** is defined.
- However, if you get any extra care from a **“Non-Plan Provider”** that is not an emergency or **“Urgently Needed Care”**, then you must pay for this care yourself. The plan will not pay for this type of care.

What is “Urgently Needed Care”? (This is different from a “Medical Emergency”.)

“Urgently Needed Care” refers to a non-emergency situation where you are temporarily absent from the Plan’s authorized “Service Area”, you need medical attention right away for an unforeseen illness, injury, or condition, and it is not reasonable given the situation for you to obtain medical care through the Medicare Advantage Plan’s participating provider network.

Note: Under unusual and extraordinary circumstances, care may be considered **urgently needed** when the member is in the service area but the provider network of the Plan is temporarily unavailable or inaccessible.

What is the difference between a “Medical Emergency” and “Urgently Needed Care”?

The two main differences between urgently needed care and a medical emergency are in the danger to your health and your location. A “Medical Emergency” occurs when you reasonably believe that your health is in serious danger, whether you are in or outside of the service area.

“Urgently Needed Care” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger and you are generally outside of the service area.

Getting care that you need urgently when you are in the plan’s service area

If you have a sudden illness or injury that is not a medical emergency, and you are in the plan’s service area, please call your PCP or Fidelis SecureCare of North Carolina at (877) 372-8085 or TTY at (888) 844-5530. There will always be a health professional on call to help you. Keep in mind that if you have an urgent need for care while you are in the plan’s service area, you should get this care from plan providers. In most cases, we will not pay for urgently needed care that you get from a non-plan provider while you are in the plan’s service area.

Getting urgently needed care when you are outside the plan’s service area

Fidelis SecureCare covers urgently needed care that you get from non-plan providers when you are outside the plan’s service area but still in the United States. If you need urgent care while you are outside the plan’s service area, you should call your PCP. If you are treated for an urgent care condition while out of the service area, we prefer that you return to the service area to get follow-up care through your PCP. However, we will cover follow-up care that you get from non-plan providers outside the plan’s service area as long as the care you are getting still meets the “Urgently Needed Care” definition.

We also cover renal dialysis (kidney) services that you get when you are outside the plan’s service area.

Section 7 – Getting your prescriptions “Out of Network” or by “Mail Order”.

Out-of-Network

Plan drugs may be covered in special circumstances, for instance, illness while traveling outside of the plan’s service area where there is non-network pharmacy. You may have to pay more than your normal cost-sharing amount if you get your drugs at an out-of-network pharmacy. In addition, you will likely have to pay the pharmacy’s full charge for the drug and submit documentation to receive reimbursement from Fidelis SecureCare. To get the “Out-of-Network”

Pharmacy Claim Forms, please visit our Web site at www.Fidelissc.com or call Pharmacy Customer Service at (877) 372-7948.

Mail Order Information:

The Mail Order Pharmacy Benefit offers you a convenient and cost-effective way to obtain up to a 90-day supply of your long-term (maintenance) medications. These medications will be delivered directly to your home. Long-term medications are medications you will need on a regular or for an extended period of time. Examples are those used to treat high blood pressure, arthritis, heart conditions, diabetes, osteoporosis, asthma and others.

For long-term medications you need right away: ask your doctor for two prescriptions—one for a small supply to fill at a participating retail pharmacy and one for a long-term supply to fill through the mail. Most orders are shipped by U.S. Postal Service. Allow 2 weeks for delivery. Emergency prescriptions can be shipped overnight. For more information, please call our Pharmacy Customer Service at (877) 372-7948.

Section 8 – For more information

For more detailed information about Fidelis SecureCare of North Carolina provider coverage, please review the “**Evidence of Coverage**”.

If you have questions about Fidelis SecureCare of North Carolina, please call our Customer Service at (877) 372-8085, Monday through Friday, from 8:00 am to 6:00 pm Eastern Standard Time. TTY users should call (888) 844-5530. Or, visit www.fidelissc.com.
